About San Diego Mesa College

San Diego Mesa College is a fully accredited, comprehensive college committed to equity and excellence. We honor our diverse community of students, faculty, professional staff, and administrators who collaborate to foster scholarship, leadership, access, and innovation within an inclusive learning environment. By promoting student learning and achievement that lead to degrees and certificates, transfer, workforce training, and lifelong learning, we empower students to reach their educational goals and shape their futures.

One of the largest community colleges in California, Mesa serves more than 31,000 students annually, approximately 10 percent of whom attend full time. The college offers nearly 200 associate degree and certificate programs and was among the first California community colleges to offer a bachelor's degree. Mesa ranks as San Diego's top transfer institution and proudly holds designation as an Asian American and Native American Pacific Islander–Serving Institution (AANAPISI), a Black-Serving Institution, and a Hispanic-Serving Institution (HSI). Mesa is also recognized as a student-parent–serving college and a Gold Status Military Friendly School, supporting more than 4,700 active-duty service members, veterans, and their families.

Mission

San Diego Mesa College is a comprehensive community college committed to access, success, and equity. We honor those commitments as a diverse community of faculty, students, professional staff, and administrators who collaborate to foster scholarship, leadership, innovation, and excellence in an inclusive learning environment. By promoting student learning and achievement that leads to degrees and certificates, transfer, workforce training, and lifelong learning, we empower our students to reach their educational goals and shape their future.

Vision

To be the leading college of equity and excellence, educating students to shape the future.

Values

- Access
- Excellence
- Accountability
- Freedom of Expression
- Diversity
- Respect
- Equity
- Scholarship
- Sustainability
- Integrity

Strategic Directions

1. Deliver, advance, and support an inclusive teaching and learning environment that enables all students to achieve their educational goals.
2. Build and sustain a sense of community that extends across campus and constituencies, nurturing collaboration, learning, growth, and diversity.
3. Build and sustain pathways in support of the comprehensive community college mission.
4. Support innovation in our practices.
5. Support personal growth and professional development of our employees.
6. Serve as stewards of our resources and advance effective practices in support of accountability.

2026 Commencement Speaker

Alina Vasilenko

Alina Vasilenko is graduating with a degree in Business Administration. Inspired by her father's entrepreneurial journey and shaped by her experiences traveling around the world, Alina developed a passion for hospitality, leadership, and creating meaningful experiences that connect people across cultures.

During her time at San Diego Mesa College, Alina strengthened her leadership and communication skills through active involvement in Mesa's Associated Student Government and campus life. She plans to pursue a future in global hospitality and entrepreneurship.

As this year's commencement speaker, Alina hopes to encourage graduates to step outside of their comfort zones, embrace opportunities for growth, and believe in their potential.

Mesa College Valedictorians and Honors Programs and Societies

Student valedictorians have achieved a 4.0 grade point average (GPA). Students graduating with honors have attained a GPA of 3.5 or above. The San Diego Mesa College Honors Program encourages the cultivation of curiosity through the exploration of ideas and subjects beyond customary coursework and programs. Eligible, highly motivated students work closely with faculty to design and fulfill specialized contracts, providing them with the opportunity to engage in intellectually challenging projects and thrive in an enthusiastic learning environment.

Phi Theta Kappa (ΦθΚ)

is an international honor society, which offers recognition for academic excellence. Eligible students must have completed a minimum of 12 semester units with a GPA of 3.50 or higher.

Psi Beta (Ψβ)

is a national honor society for students enrolled in or majoring in psychology. Qualifications: completion of at least 12 semester units, with one course in psychology, a "B" average in all psychology courses, and ranking in the top 35% or cumulative GPA of 3.00.

Delta Alpha Pi (ΔΑΠ)

is an international honor society, founded to recognize high-achieving students with disabilities. Eligible students must have a minimum of 24 semester units with a GPA of 3.1 or higher.

The Academic Attire

San Diego Mesa College's commencement ceremony continues the centuries-old tradition of wearing distinctive academic dress. You will see these traditions represented in the caps and robes of the graduating students, the stage party, and the faculty of San Diego Mesa College who hold advanced degrees from institutions across the nation and the world.

Cords, Caps, Gowns and Hoods

Black gowns are the standard for Mesa College students receiving associate degrees and certificates. Students wear sashes that signify degree programs, affiliations, honors designations, and cultural heritage and pride. The mortarboard, or "Oxford Cap," is also worn, with tassels indicating honors.

Blue gowns with a gold yoke indicate graduates receiving a baccalaureate degree in Health Information Management (HIM).

Blue gowns indicate graduates receiving an associate degree who have achieved a GPA of 4.00 and are distinguished valedictorians.

Gold cords indicate graduates receiving an associate degree with honors (GPA of 3.5 or higher).

White cords indicate graduates receiving a certificate of achievement with honors (GPA of 3.5 or higher).

Distinctive and colorful hoods most readily identify graduate-level degrees: the Master's hood is 40 inches long and the Doctor's is 48 inches long. The colorful lining of the hood is of silk and depicts the colors of the university or college that conferred the wearer's degrees.

The hoods are trimmed in velvet panels and their colors represent different subjects:

Arts, Letters, Humanities..... White

Business.....Drab

Education.....Light Blue

Fine Arts, Literature.....White

Home Economics.....Maroon

Law.....Purple

Library Science.....Lemon

Medicine.....Green

Music.....Pink

Public Administration.....Peacock Blue

Science.....Golden Yellow

Theology..... Scarlet

You will see these traditions represented in the caps and robes of the graduating students, the stage party, and the faculty of San Diego Mesa College who hold advanced degrees from institutions across the nation and the world.
