Date Revised: May 9, 2025

Notes: It is suggested that dean/faculty from each school rotate from dean to faculty each membership period. It is suggested that the faculty be a scheduling chair whenever possible. Also, in order to insure the entire committee does not turn over every two years, in the first round some members should have 1 or 3-year terms. When possible, potential new members could attend meetings for the term before they actually join for continuity.
